SC Court of Appeals

I, James Don Roberts, am requesting a thirty (30) day extension to 06 MAY 2024, for filing the Appellant's initial Brief and Designation of Matter for CASE No. 2023CP0201996.

The reason is that I have not had the time or resources to complete the Appellant's initial Brief and Designation of Matter. I now have a week off of work to access the South Carolina library computers and internet, and the South Carolina Legal library of the nearby city of Aiken, South Carolina. The local Nancy Carson library here in North Augusta, South Carolina has been undergoing renovation, and it has been unrealistically inconvenient to attempt to make use of someone else's home computer and internet, which I do not have.

Thank you for your patience and the opportunity to request a thirty (30) day extension.

Enclosed is a \$50.00 cashier's check made out to The South Carolina Court of Appeals.
