Hi I talked to someone on Friday in regards to this case # of Bobby Arnold filed on April 3rd. She advised me it was in a timely manner for it to be mailed out today April 15th. She also advised me to take a picture of the check or money order and send it to this email address so its showing that it is on the way and they will see the postage date when it arrives. Well I forgot to take a picture of the check before putting it in the mail, but I do have it on my stub. I took a picture of for check #5881.

Please let me know that this is OK and I will check back later in the week and to see if it has been received. Your prompt response and attention to this matter would be greatly appreciated.

Kind Regards,

Elizabeth B Adair
