

The South Carolina Court of Appeals

Robert Spigner, #65500, Appellant,

v.

South Carolina Department of Probation, Parole, and
Pardon Services, Respondent.

Appellate Case No. 2024-000093

ORDER

Respondent filed a motion to supplement the record on appeal to include items in the record on appeal for the administrative law court that were omitted from the record on appeal filed in this court. Specifically, Respondent moved to supplement the record with the notice of rejection letter and the criteria for parole consideration. Appellant did not file a return. After careful consideration, we grant the motion. The conditionally-filed-and-served supplemental record on appeal is accepted.
