Madam Clerk:

This correspondence is being sent to confirm my conversation yesterday with the case manager assigned to the above-referenced appeal. The case manager confirmed the April 18<sup>th</sup> filing deadline for the Appellant's initial brief and designation matter as outlined by the Clerk's letter dated April 08, 2024 has been extended as the Appellant is still waiting on the production of the Full Commission hearing transcript. Proof of the request was previously filed with the Court.

My understanding under the most recently updated appeal schedule, is the new deadline for the Appellant's initial brief and designation of matter will be April 29<sup>th</sup>, 2024.

If there is any discrepancy or misunderstanding of the deadline date, please let me know.

Kindest Regards,

**Andrew W. Creech**
