RE: State of S. C. v Davijon Khalil McCall  
Appellate Case No.: 2024-000529

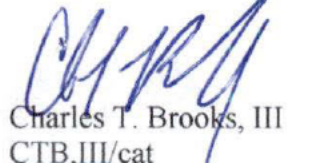

Dear Ms. Kitchings;

Enclosed is a copy of the letter dated April 5, 2024, I received from your office regarding the above-referenced case.

On the day of the sentencing, the Judge did not grant the Defendant all of his time for being incarcerated or on house arrest with GPS monitoring. The Solicitor for this case only showed one months' worth of reports that the Defendant did not comply where as the Defendant was on house arrest from August 2021 through May 2023.

Our position in this matter is the Defendant should have been granted credit for most of that time. Thank you for your consideration and cooperation in this matter. With kindest regards;  
I am

Sincerely Yours,

Charles T. Brooks, III

Sumter SC 29150

Re: The State v. Davijon K. McCall  
Appellate Case No. 2024-000529

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or this matter will be dismissed:

- Since this is an appeal from a guilty plea, nolo contendere plea, or plea pursuant to Alford, Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules requires "a written explanation showing that there is an issue which can be reviewed on appeal. This explanation should identify the issue(s) to be raised on appeal and the factual basis for the issue(s) including how the issue(s) was raised below and the ruling of the lower court on that issue(s). If an issue was not raised to and ruled on by the lower court, the explanation shall include argument and citation to legal authority showing how this issue can be reviewed on appeal."

Very truly yours,

*Catherine S. Harrison, deputy*
