Petitioner hereby moves pursuant to Rule 263(b), SCACR, for an extension out of time to file his reply to the Respondent's return to his petition for a writ of certiorari in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The undersigned counsel believed that he had sent the reply for filing, but the email address to which he sent it to the court contained a typographical error. Petitioner timely served the reply, but, through a simple mistake, failed to actually send it to the court for filing.
2. There is no prejudice to anyone that Petitioner can see would flow from accepting the reply for filing.
3. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Petitioner prays for an extension out of time to file his reply to the Respondent's return to his petition for a writ of certiorari in this case.

Respectfully submitted,

/s/ Andrew S. Radeker
