Re: State v. Dayton Frinks, Appellate Case No. 2013-001127

Dear Ms. Kitchings:

The initial brief of appellant and designation of matter in the above case is due to be served and filed on September 13, 2013. However, we have discovered that we need an additional transcript. I was assigned to Mr. Frinks on July 26, 2013. Upon an initial review of the transcript, I discovered that the court reporter did not transcribe jury voir dire and jury selection. I am providing a copy of the index page to illustrate the lack of voir dire and jury selection. We have requested the transcript today as demonstrated by the copy of our transcript request, which is enclosed. Therefore, I request that the time limits be held in abeyance pending receipt of it.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Susan B. Hackett
