A moment ago I realized I failed to include all of the intended pages in Volume Three (of four) in the Record on Appeal for this appeal.

I have initiated a correction with the printer who will forward to the court a corrected volume three.

Could I trouble you to open the folder I will need to electronically submit the same corrected version? A google link to the corrected version is attached to this email, but my understanding is that the court prefers electronic filing to be done via OneDrive and I am glad to submit it through my bar number folder, which is 9908.
