Dear Hon Clerk

SC Court of Appeals

I received your letter dated March 21 2024 on April 3rd 2024 at the McDougall Mailroom. Although I have never received the mentioned letter dated July 25 2023 requesting the bound copy of my final brief and Record on Appeal. I have included both in this mailing along with my cure to Judge Graves's order. Please note I'm in Prose in this law suit while being incarcerated at McDougall CI, I've

no way to bound these copies, I will clip and separate the document so there will be no confusion. I'm sorry for the inconvenience.

Please let me know if any further action is needed and that your office has received this letter.

Sincerely

Doddall
