Re: *Tibbs v. Asbestos Corporation Limited*
Appellate Case No. 2023-002006/2024-000524
First Extension Request for Response to Motion

Dear Ms. Kitchings:

We have received Charter's request for a 10-day extension to respond to the Receiver's motion to dismiss the initial appeal of this matter. That motion to dismiss applies equally to our clients' pending appeal. Therefore, in order to keep the response deadlines aligned, we also respectfully request a 10-day extension for the Altrad Defendants' deadline to file and serve their opposition to the motion to dismiss. This filing is currently due on April 26, 2024. If granted, the new deadline would be May 6, 2024. This is our client's first request for an extension of this deadline.

We will be submitting the \$50 filing fee to the Court within five days of this letter.

We appreciate the Court's consideration of this request. If we can provide the Court with any additional information, please do not hesitate to call on us. By copy to opposing counsel, we are informing them of this communication

Best regards,

/s/ M. Todd Carroll
