SC Court of Appeals

EMERGENCY MOTION TO STAY JUDGEMENT

THE STATE OF SOUTH CAROLINA

In The Court of Appeals
[In The Supreme Court]

APPEAL FROM HORRY COUNT
Court of Common Pleas
Benjamin H. Culbertson - Circuit Court Judge

Case No. 2024-CP-2600231

Timothy Meyers
PRO SE

Plaintiff

v

Affordable Concrete and Masonry

Defendant

EMERGENCY MOTION TO STAY

And now this 24 day of April 2024, Timothy T Meyers asks the Appellate court to stay a request for Judgement in the aforementioned matter that is being requested by the Defendant in this matter until the particulars of this case can be heard. I am asking for this stay as a matter of Law and principle in this matter, as the lower court has held in their decision that I the Plaintiff did not show up the defend this matter, when the lower court has NO RECORD of service to me of a court date in the Common Pleas Court. After getting notice of this judgement, I affirmed with the Horry County Clerk of Courts in Conway SC 29526, that I had not been notified and she verified such in her office and remarked, that it was very strange that there was no verification of

service. So I ask this Court to stay any and all actions in regard to execution of the
aforementioned judgement/case by the Defendant "AFFORDABLE CONCRETE
AND MASONRY" and asked that you notify the lower court that this motion has
been approved on its face based on facts, and that this court STAYS EXECUTION
OF JUDGEMENT on Timothy Meyers residing at 7712 Hunting Swamp Rd.,
Conway SC 29527. A quick check of this case online will verify in my case that there
has been no record of service.

By affirmation of the aforementioned EMERGENCY STAY MOTION and by
signing this and making it an order in this case, I affirm that there are grounds to stay
the judgement based on the aforementioned language and the EMERGENCY STAY
is granted.
