RE: State v. Michael Dwayne Williams, Sr. – Appellate Case No. 2022-000686

Dear Ms. Kitchings:

On April 15, 2024, Appellant Michael Dwayne Williams, Sr. filed a motion in the above-referenced case seeking a remand to the trial court for reconstruction of missing portions of the trial record. As support for that request, Appellant maintains certain portions of the trial are not contained within the available transcripts and have not been able to be located or transcribed despite efforts to so. Please be advised the State has no objections to Appellant's request for a remand for reconstruction and agrees such a limited remand would be appropriate under the circumstances involved. Thank you very much, and, if you should have any questions or concerns or if a more formal return is required, please do not hesitate to contact me.

Sincerely,

Mark R. Farthing
