Re: *Tibbs v. Asbestos Corporation Limited*  
Appellate Case Nos. 2023-002009, 2023-002010, 2023-002011  
First Extension Request for Response to Motion (Reply)

Dear Ms. Kitchings:

I am back from my four day vacation and have found Respondent's objection to the request for a 10-day extension to prepare an opposition memorandum (which is presently due Friday.) I am out of the office today and tomorrow for hearings out of town. Respondent's objection goes to the merits of his motion, for which Appellants have requested a 10 day extension.

As demonstrated in the motion for extension, the undersigned will be (have been) out of the office for 6 of the 10 response days. Appellants respectfully request that the 10 day extension be granted.

Respectfully submitted,

/s/ A. Victor Rawl, Jr.
