

The South Carolina Court of Appeals

Alisha Baity, Aaron Baity, and Ambrose Nolan Baity,
Appellants,

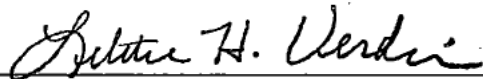

v.

Geraldine Vaenssa Myers-Moore, Respondent.

Appellate Case No. 2023-001423

ORDER

Appellants filed the record on appeal on March 11, 2024, establishing a deadline of April 1, 2024, for the filing and serving of final briefs. Respondent filed her final brief on April 1, 2024. Appellants filed a motion to amend the record on appeal and a motion to extend the time for filing the final briefs on April 2, 2024. Appellants moved to amend the record due to an "incorrect page number . . . error." Respondent filed a return, opposing amending the record on appeal except to allow "correcting the Index to match the pagination of the Record currently filed with the court." Respondent also opposed extending the time to file and serve final briefs. After careful consideration, we grant the motions in part and deny in part. Within ten days of the date of this order, Appellants shall file and serve a supplemental record on appeal containing an index that matches the pagination of the record on appeal filed on March 11, 2024. Thereafter, Appellants shall file and serve their final brief within twenty days of the date of service of the supplemental record on appeal. Failure to comply will result in dismissal of this appeal.
