Of which Trident Construction, LLC is the Respondent.

Appellate Case No. 2023-001118

ORDER

On April 5, 2024, Respondent filed a motion to dismiss this appeal. Appellant did not file a return. After careful consideration, we deny the motion to dismiss. Respondent also renewed its prior motion to dismiss, which this court denied on November 14, 2023. We take no action on Respondent's renewal of its prior motion to dismiss because our prior order did not have the effect of dismissing or finally deciding the appeal. *See* Rule 221(c), SCACR ("The appellate court will

not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal."). Respondent's initial brief and designation of matter shall be served and filed within thirty days of the date of this order.
