MOTION TO STAY

CASE# 2023-CP-08-04314

I am requesting to be able to stay any evictions till our case is heard. We have put all of the money we had into this home under the impression we would own it. We also have kept up with the property maintenance which we have not received any compensation for or credit towards payment. Plus we have not been provided any source of heat required by law. We have provided that for ourselves since we moved in. We have put all and any money we could find another residence with into this home and now we are being cheated out of all our hard work and money. Thank you for your time and consideration in this matter.
