Request to waive fees.docx

MOTION TO WAIVE FILING FEES

Case # 2023-CP-08-03413

To the Appellate Court,

I am requesting that the filing fees in this matter be waived as I am the sole provider for my household of 4 and only working part time. I receive no benefits from any government agencies I do all of this with no attorney because I cannot afford one. Thank you for your time and consideration in this matter.
