S.C. SUPREME COURT

To the Attention of the Clerk of Court, Patricia A. Howard,

I am writing this letter at this time to respond to the letter I received from you dated April 23, 2024 but did not get it until April 26, 2024. It approved the extension until May 8, 2024. I really need a 30-day extension due to the following reasons:

1. No communication with my current Attorney, Deputy Chief, Appellate Defender, Wanda H. Carter. On March 5, 2024 I mailed her a letter with concerns about my case. I still as of today never received a reply, nor have I spoken with her.
2. I reached out to my PCR Attorney, Rodney Richie on March 31, 2024. Mr. Richey wrote me back April 10, 2024 and informed me that he cannot assist me. He also informed me that my current consul is the party to contact.
3. My current Attorney, Deputy Chief, Appellate Defender, Wanda H. Carter filed a Johnson brief with errors. The first error was corrected immediately when I contacted Patricia A. Howard, Clerk of Court. The second mistake is located on page three under the argument. Wanda H. Carter states that Lawton L. Holloway was convicted of murder and on page two she states the conviction was manslaughter.
4. Currently I'm working six days per week in Hospice. The only access I have to the Law is through the books that I read and West Law. West Law can be accessed on our GTL tablets whenever the system is working. Often the system is down. For example Sunday, April 28, 2024, my dorm had no access to the tablets being that Sunday's is my only day off each week.

For these reasons, I am requesting a 30-day extension. Currently, I am reading every legal book that I have available so that I may submit a correct brief.

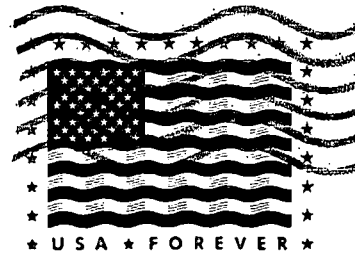

Thank you so much for your time and help with this request.

Respectfully Yours,
Lawton Leroy Holloway, 00379523
