Mr. Ragsdale,

I have been asked by Court Administration to prepare the above referenced transcript. I can only give you an estimate of the cost for this transcript. It looks like the hearing lasted for about 40 minutes. That would usually be about a 50 page transcript.

If you wish to receive this transcript, please send a money order or cashier's check to my address of PO Box 819 Reidville SC 29375 and I will prepare this for you when I receive the payment. Thank you.

Please provide a quote.

I need to check the rules, this matter originated from a magistrate court that I believe would be exempt from a fee to produce the transcript to challenge.

Thanks

It is \$4.25 per page. Court Admin told me the hearing lasted for 40 minutes. Not 20. There is no way to get an exact estimate. It is only an estimate and that's the best estimate I can give you.

I get that, I need an estimated full amount to send you for processing the transcript. I am on a time requirement per the rules to provide a brief for my appeal.

Such production may require requesting an extension of time that I have to be prompt according to the rules and your schedule may not meet the requirements and if not, an extension request would be required on your part that I am sure you are aware.

Please provide this estimate full amount to obtain a money order since you do not except personal checks.

Or you can ask the court to assign another reporter if you prefer not to work with a pro,se litigant, whom is depending on the skill of others

I get that, I need an estimated full amount to send you for processing the transcript. I am on a time requirement per the rules to provide a brief for my appeal.

Such production may require requesting an extension of time that I have to be prompt according to the rules and your schedule may not meet the requirements and if not, an extension request would be required on your part that I am sure you are aware.

Please provide this estimate full amount to obtain a money order since you do not except personal checks.

Thank you

It is \$4.25 per page. Court Admin told me the hearing lasted for 40 minutes. Not 20. There is no way to get an exact estimate. It is only an estimate and that's the best estimate I can give you.

I received your message but I'm not sure the amount you are charging for the hearing that was about 20 minutes in duration. Please let me know the cost and if this is an estimated cost, how can I know an exact cost based on the per page.

Thank you

Mr. Ragsdale,

I have been asked by Court Administration to prepare the above referenced transcript. I can only give you an estimate of the cost for this transcript. It looks like the hearing lasted for about 40 minutes.

That would usually be about a 50 page transcript.

If you wish to receive this transcript, please send a money order or cashier's check to my address of PO Box 819 Reidville SC 29375 and I will prepare this for you when I receive the payment. Thank you.
