Re: William P. Scurry and J&W Corporation of Greenwood v. SCDHEC and
Simmons Family Holdings, LLC; Appellate Case No. 2023-001592; Request
for Extension for Respondent's Initial Brief

Dear Ms. Kitchings:

Please allow this correspondence to serve as a motion on behalf the Respondents requesting a thirty (30) day extension on the time to file Respondents Initial Brief in this matter, which brief is currently due on May 13, 2024. Counsel for Simmons Family Holdings and SCDHEC are working together to provide a joint brief on behalf of the Respondents collectively, but require additional time to complete this effort. This is the first extension request for this brief, and we do not anticipate further extensions will be necessary barring unforeseen circumstances. Appellants' counsel has been consulted and has consented to this request.

Enclosed with our mailed copy is a check in the amount of \$50.00 representing the filing fee for our motion for extension. Please let me know if you require any additional information.

Very truly yours,

Michael S. Traynham
