**Subject:** Amazon Services v. SCDOR

Good afternoon,

The Office of Bar Admissions sent us a copy of the *pro hac* application for Mr. Zimmerman in the above referenced matter. We do not have you, Mr. Cox, listed as counsel of record for this matter. We will need your motion to appear amicus (assuming that's what you intend to do as you did in Edwards v. Scapa referenced in the application) so you can be added as a party and you'll also have to file a motion to appear *pro hac* in this case for Mr. Zimmerman. The application to Bar Admissions and the motion to the Clerks Office are two separate things. Let us know if you have any questions.

Sincerely,

***Ashli Thompson***
