APPEAL FROM GREENVILLE COUNTY  
Court of Common Pleas  
R. Lawton McIntosh, Circuit Court Judge

---

C.A. No. 2022-CP-23-04923  
APPELLATE CASE NO. 2023-001265

---

The State ..... Respondent,

vs

Michael Carl Zieminski ..... Appellant.

---

**Respondent's Second Motion for Extension  
of Time to File Initial Respondent's Brief  
and Designation of Matter**

---

The Respondent requests that the Court of Appeals extend the Respondent's deadline for filing its Initial Respondent's Brief and Designation of Matter to be Included in the Record on Appeal by 30 days for a second time because of the sudden death of the Respondent's attorney's mother. The Appellant served and filed its Initial Appellate Brief on March 14, 2024. This loss, along with the need to coordinate services, probate, and everything else associated with a parent's passing has left the Respondent's attorney with insufficient time in which to complete an initial brief and designations for the record by the current May 15, 2024 deadline. This motion marks the Respondent's second request for an extension of time.

The current due date for the Respondent's initial brief and record designations is May 15, 2024. We are requesting that this Court extend the deadline to June 14, 2024.

Respondent's counsel has consulted with Appellant's counsel prior to submission of this motion and request for extension. Appellant's counsel has confirmed the Appellant's consent to this request.

Respectfully submitted,
