Re: City of Columbia v. Marie Assa'ad-Faltas
Appellate Case No. 2022-000339

Dear Dr. Faltas:

For reasons fully justified by your previous actions and by the conduct of other former and current clerks of court in South Carolina, I do not wish to specify ahead of time which pages I need lest you sabotage them as you did my entire appeal. I just need to look at my bound RoA. Thanks/

The Court has received your request for copies in the above mentioned appeal, however your letter states you only wish to obtain copies of certain pages from your bound record on appeal. If you would like copies of documents in this matter you must specifically state which documents you are requesting so that the Court may let you know the cost of the copies. The cost of copying is \$.25 per page, and \$.40 per 10 pages for mailing if applicable. It is the procedure of the Court to obtain payment for copies before they are mailed. If you wish to pick up your documents from the Court you must set up an appointment to do so, and payment may be made at the time of pickup.

Very truly yours,

Jenny A. Kitchings
