SC Court of Appeals

May 13, 2024

Dear South Carolina Court of Appeals,

This letter is a formal request for an extension to respond to the initial brief of respondent and designation of matter and motion to strike and to clarify in the Aryeh v. Aryeh appeal (case number 2023-001334).

I cannot afford an attorney and am representing myself, both in this appeal and in several post-judgment divorce hearings and a deposition currently scheduled from May to July 2024. I am in the midst of preparing for a deposition this month in the divorce case with the appellate in this case, as well as preparing for several court hearings scheduled for July. The plaintiff in the appeal has also filed motions that will soon be scheduled, to which I need to respond.

I would greatly appreciate an extension to July 20, 2024.

I will mail you the \$50 filing fee in the form of a check.

Thank you,
Olivia Aryeh
