

The South Carolina Court of Appeals

Eric Samuel, Appellant,

v.

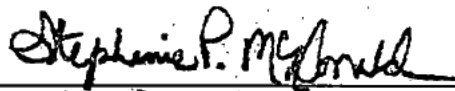

South Carolina Department of Corrections, Respondent.

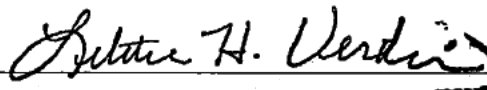

Appellate Case No. 2023-001838

ORDER

We dismissed this appeal on January 5, 2024, because Appellant failed to cure deficiencies related to his notice of appeal. Appellant wrote to this court on January 5, 2024, and January 25, 2024. We construe these writings as a petition to rehear the dismissal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
