Good Morning,
Heather and All

I should have reply to your email much sooner, about "the Judge's opinion that he does not have jurisdiction over these motions", again, I apologize but I needed to get the facts complete and correct before hand about, what may be wrong and confusing information that you and the Judge may have received from a possible source about one of Karen's Motion, filed on May 3, 2024.

But if I'm wrong please let me know and forgive my errors.

(1.) The Petition For Violation Of The Judgment And Final Order of April 27,2022 in question Karen would like to reply to your email about, I would like you to look at both attachments if you would please. Just so we all have the correct information and no mistakes about the Jurisdiction before the Judge "hold off on doing the Order to Vacate".

(2.)"On November 17,2023 Attorney Alysoun Eversole's response, to Karen's Motion To Expedite her case on November 20,2023 was crystal clear, what the Respondent said "Attorney Alysoun Eversole "Objects the Appellant (Karen) is asking this court to consider matters not raised in the Appellant's Brief and documents **NOT INCLUDED in the Record of Appeal**".

(3)"Attorney Alysoun Eversole was correct and Karen P. Polite agrees the documents were not a motion but proof to show a cause of action what happened to Karen home this is true see attachments.

AND if the Judge would still like to "vacate" and the case transferred to the Non-Jury Docket and/or a Special Referee appointed or The UNITED STATES SUPREME COURT case number (2024-000695) assigned to Karen P. Polite.

If the Judge stands correct and her case should be Vacat I Karen P. Polite requests that the Judge Vacate Immediately please. I would truly appreciate it but it is up to the Judge, because Karen's motions were filed on May 3, 2024 in a timely manner.

Thank you.
