S.C. SUPREME COURT

Re: *Tyquez Gytrell Brisbane v. State* (App. Case No. 2024-000626)

Dear Clerk Howard,

I am writing to request an extension to order the PCR hearing transcript in the above-captioned case. This extension is needed because Mr. Brisbane has not yet submitted the Affidavit of Indigency to SCCID or hired private appellate counsel. Instructions and the affidavit form were provided to him after the NOA was filed and we are following up with him about it again as of today.

Thank you and please do not hesitate to contact our office if I can be of further assistance to the Court.

Sincerely,

/s Lauren Hobbis
