Attached is the approved extension request. Since this was not submitted timely, please send another extension request form which will serve as your second extension. Since this transcript was ordered on 2/6/2024, the first extension would have been due 5/6/2024. You now need to submit a second extension request which will be due 6/6/2024. Please submit this as soon as possible.

Subject: Extension requests

Good afternoon,

I am submitting three extension requests in separate emails, all of which are past due for extensions and I apologize for being late in requesting the extensions. Please let me know if you have any questions in this regard. Two of them are currently being prepared by a typist.

Sincerely,

Shannon E. McGilberry
