Dear Chief Clerk,

As you stated in our phone conversation today, I am writing to formally convey a matter of urgency regarding the transcription of the hearing record. Attached to this letter is a copy of the transcriptionist's statement, which indicates that she may require up to 30 days to complete the transcription process.

Given this normal delay in the transcription timeline, it is imperative that the court grant a necessary adjustment of time or extension to file the Brief accordingly.

I know that the timely filing of the Brief is critical to the due process and fair adjudication of this case. Therefore, I respectfully request the court's understanding and cooperation in providing an appropriate extension to accommodate this delay.

Thank you for your attention to this matter.

Sincerely,

Kalishwar Das

Good morning,

I received the money order yesterday, so the transcript request will be taken in the order in which the payment was received. I would estimate thirty (30) days and maybe longer. I currently have a large transcript backlog .
I will notify you upon completion of the transcript.

Sincerely,

Hello ma'am,
May I know, how long it may take time to generate the said transcript? I've sent money order of the full amount on Monday after responding your email. Please confirm also.

Thank you.

Respectfully
