

The South Carolina Court of Appeals

Ashley Williamson, Appellant,

v.

Rock Pointe 2, Respondent.

Appellate Case No. 2024-000279

ORDER

Appellant filed a motion asking this court to stay a circuit court order that affirmed a magistrate's issuance of an order of eviction. On March 12, 2024, we temporarily granted Appellant's motion for a stay and remanded this case to the circuit court for a hearing on Appellant's motion to stay and any request for an appeal bond. We also ordered Appellant to notify this court of the circuit court's ruling within ten days of receiving notice of the circuit court's ruling. Having received no information from Appellant, this court wrote to Appellant on April 24, 2024, requesting Appellant provide a status update within ten days of the letter and warning Appellant the appeal would be dismissed if she failed to provide a status update. Appellant has not responded. Therefore, after careful consideration, we lift the temporary stay and dismiss the appeal. Remittitur will be sent in accordance with Rule 221(b) of the South Carolina Rules of Appellate Procedure.
