RECEIVED
MAY 28 2024
SC Court of Appeals

RULE 203(B) EXPLANATION

Pursuant to Rule 203(B)(iv), the issues to be raised on appeal may include the following issues: (1) whether the trial court erred in denying the motion to suppress, (2) whether trial counsel provided effective assistance of counsel during the motion to suppress, and (3) whether the trial court abused its discretion when it imposed a sentence of eight years upon the Appellant after he pleaded guilty.

The undersigned does not have a good faith basis to believe that the first two issues are properly before the Court of Appeals, and the undersigned did not object to the sentence or file a motion to reconsider the sentence. Nevertheless, the undersigned consulted with the Appellant about his right to appeal, and after consultation, the undersigned has filed the instant appeal at the request of the Appellant because the Sixth Amendment requires counsel to follow the Appellant’s request. *See Frazer v. South Carolina*, 430 F.3d 696, 706 (4th Cir. 2005) (“A defendant has a right to pursue a direct appeal, even if frivolous, which counsel must assist as ‘an active advocate in

behalf of his client.”) (quoting *Anders v. California*, 386 U.S. 738, 744 (1967)).

Respectfully submitted,

E. Joshua Schultz
