Hi,

I received a call from the Court of Appeals today. They require a formal motion to supplement the record, or an email from you to me stating that you consent to the supplemental designation of matter. You already have a copy but I am attaching another. If you can send me the consent today, I can serve you the Record today. If not, it will be a while as we will need to wait for the Court to rule on the matter.

I am happy to do it whichever way you like.

Thanks
