INMATE'S REASON FOR APPEAL (state specific dissatisfaction): Pursuant to Torrence -v- South Carolina Dept. of Corrections, Court case # 2016-000285, opinion # NO. 5829 June 30, 2021. The Court of Appeals determined that inmates are to be paid the prevailing wages as determined by the Supreme Court's Interpretation of policy 24-3-430. My filing of this grievance falls within Paragraph 139 of Department policy GA 01.12 which provides exception to time limit requirements will be made for grievances concerning policies I am asking for prevailing wage as policy 24-3-430 states. Also back pay without reprisal. This situation has been ruled on in Torrence -v- SCDC. This program is set up to not negatively affect private sector and pay me the same wage as private sector (prevailing wage) 24-3-430

RESPONSIBLE OFFICIAL'S DECISION AND REASON:

In your grievance, you are requesting adjustments to your inmate pay pursuant to Torrence v. South Carolina Department of Corrections (2021). The South Carolina Court of Appeals' opinion in Torrence was filed on June 30, 2021. You submitted your grievance regarding this matter in February of 2023, approximately one year and seven months after the Court of Appeals issued its opinion. Accordingly, your grievance is untimely under SCDC Policy ADM-15.13, section 12.1. This policy states as follows.

12. PROBLEMS WITH PAY:

12.1 Inmates must report any problems in their pay to their institution's inmate pay designee utilizing the Automated Request to Staff Member (ARTSM) within 15 days of the payroll date error. The inmate should maintain a record of the ARTSM reference number. The inmate pay designee will review the case and determine whether any additional pay is owed. Payroll corrections will be limited to the following.

- If the inmate fails to notify the Agency in writing and within 15 days, no back pay will be given.
- The pay rate will be adjusted to the proper rate amount for future payrolls in accordance with these procedures
- The inmate may receive additional pay owed for the previous two (2) pay periods only.

Therefore, your grievance is denied.

Responsible Official Signature Bates Vincent Date 8-25-23

The decision rendered by the responsible official exhausts the appeal process of the Inmate Grievance Procedure. I hereby acknowledge receipt of the official's response and understand this is the Agency's final response to this matter.

STATEMENT OF GRIEVANCE (Indicate the date of incident, and if the grievance is a challenge to SCDC Policy, specify which policy. Include supporting documentation and attach answered RTSM or Kiosk reference number.)

Pertaining to Torrence v. SCDC case # 2016-000285 opinion # 5829
 June 30, 2021. The S.C. Court of Appeals determined that inmates are to be paid the prevailing wage as determined by the Supreme Court interpretation of Statute 24-3-430.

My Step 1 Grievance falls within paragraph 13.9 of department policy GA.0112 which provides exception to the time limit requirement that will be made for grievances concerning policies. The inmate grievance system policy fails to define either incident or policies based upon the plain and ordinary meaning of both of these words. It is clear that an incident would be a one time specific event and a policy would be continuous course of action. In my present grievance it is not a one time event in which I was not paid a prevailing wage. The Department continuously fails to pay me a prevailing wage, therefore the grievance involved is related to a policy.

WARDEN'S DECISION AND REASON:

Miller, Marshall 249557

TYRCI-0052-23

I have reviewed your concerns. You allege that pursuant to *Torrence vs SCDC* you are entitled to prevailing wages and request said pay with back pay without reprisal. Inmates voluntarily accept services provided by Prison Industries Private Sector Programs and Prison Industries Service Programs. Pursuant to SCDC Policy ADM-15.13 Inmate Pay, it establishes criteria for determining eligibility for inmate pay and ensures proper handling of all matters pertaining thereto. An employee is designated specifically to enter inmate pay data, provided by PI, into the Inmate Pay System. Inmates entering a PI program receives pay at that program's current rate. Problems in pay must be identified within 15 days of the payroll date error. Record of electronic notification must be retained. Failure to notify the Agency in writing and within 15 days, forfeits back pay. You were provided with wages that were approved by the governing authority of South Carolina at that time and accepted as such. Any additional information that you require should be addressed to companies outside SCDC. You have failed to prove pertinent staff performed their duties inconsistent with applicable policy and procedure.

Therefore, your grievance is denied.

If you disagree with this Warden's Decision (Decision), you may file an appeal by completing SCDC Step 2 Inmate Grievance Form 10-5A, provided to you while serving you this Decision, and placing it in the Grievance Box at your local correctional institution within five (5) days of your receipt of this Decision.

- I accept the Warden's decision and consider the matter closed.
- I do not accept the Warden's decision and wish to appeal.

INSTRUCTIONS FOR COMPLETING STEP 1 GRIEVANCE FORM

1. An informal resolution shall be attempted prior to the filing of Step 1 by sending an Inmate Request to Staff Member (RTSM) form or Kiosk reference number to the appropriate supervisor. A copy of the answered RTSM must be attached to the grievance when the grievance is filed.
2. Complete each section in its entirety, writing only in the space provided for inmate use. No additional pages will be permitted.
3. Only one (1) issue is to be addressed on each form.
4. Submit the completed form by placing it in the Grievance Box at your institution within eight (8) working days of the date on the RTSM response; policy grievances can be filed at any time. Disciplinary and Classification Review appeals must be submitted within five (5) working days of the hearing/review. Do not write in the space provided for the Warden's response.
5. If you are not satisfied with the Warden's decision, you may appeal to the appropriate responsible official within five (5) days of your receipt of the Warden's decision, by placing your Step 2 appeal form in the Grievance Box at your institution.

Not all fields are available for every type of estimate

Field	Field Description
area	U.S. (99), state FIPS code, Metropolitan Statistical Area (MSA) or New England City and Town Area (NECTA) code, or OEWS-specific nonmetropolitan area code
area_title	Area name
area_type	Area type: 1= U.S.; 2= State; 3= U.S. Territory; 4= Metropolitan Statistical Area (MSA) or New England City and Town Area (NECTA); 6= Nonmetropolitan Area
prim_state	The primary state for the given area. "US" is used for the national estimates.
naics	North American Industry Classification System (NAICS) code for the given industry
naics_title	North American Industry Classification System (NAICS) title for the given industry
i_group	Industry level. Indicates cross-industry or NAICS sector, 3-digit, 4-digit, 5-digit, or 6-digit industry. For industries that OEWS no longer publishes at the 4-digit NAICS level, the "4-digit" designation indicates the most detailed industry breakdown available: either a standard NAICS 3-digit industry or an OEWS-specific combination of 4-digit industries. Industries that OEWS has aggregated to the 3-digit NAICS level (for example, NAICS 327000) will appear twice, once with the "3-digit" and once with the "4-digit" designation.
own_code	Ownership type: 1= Federal Government; 2= State Government; 3= Local Government; 123= Federal, State, and Local Government; 235= Private, State, and Local Government; 35 = Private and Local Government; 5= Private; 57= Private, Local Government Gambling Establishments (Sector 71), and Local Government Casino Hotels (Sector 72); 58= Private plus State and Local Government Hospitals; 59= Private and Postal Service; 1235= Federal, State, and Local Government and Private Sector
occ_code	The 6-digit Standard Occupational Classification (SOC) code or OEWS-specific code for the occupation
occ_title	SOC title or OEWS-specific title for the occupation
o_group	SOC occupation level. For most occupations, this field indicates the standard SOC major, minor, broad, and detailed levels, in addition to all-occupations totals. For occupations that OEWS no longer publishes at the SOC detailed level, the "detailed" designation indicates the most detailed data available: either a standard SOC broad occupation or an OEWS-specific combination of detailed occupations. Occupations that OEWS has aggregated to the SOC broad occupation level will appear in the file twice, once with the "broad" and once with the "detailed" designation.
tot_emp	Estimated total employment rounded to the nearest 10 (excludes self-employed).
emp_prse	Percent relative standard error (PRSE) for the employment estimate. PRSE is a measure of sampling error, expressed as a percentage of the corresponding estimate. Sampling error occurs when values for a population are estimated from a sample survey of the population, rather than calculated from data for all members of the population. Estimates with lower PRSEs are typically more precise in the presence of sampling error.

jobs_1000	The number of jobs (employment) in the given occupation per 1,000 jobs in the given area. Only available for the state and MSA estimates; otherwise, this column is blank.
loc quotient	The location quotient represents the ratio of an occupation's share of employment in a given area to that occupation's share of employment in the U.S. as a whole. For example, an occupation that makes up 10 percent of employment in a specific metropolitan area compared with 2 percent of U.S. employment would have a location quotient of 5 for the area in question. Only available for the state, metropolitan area, and nonmetropolitan area estimates; otherwise, this column is blank.
pct_total	Percent of industry employment in the given occupation. Percents may not sum to 100 because the totals may include data for occupations that could not be published separately. Only available for the national industry estimates; otherwise, this column is blank.
pct_rpt	Percent of establishments reporting the given occupation for the cell. Only available for the national industry estimates; otherwise, this column is blank.
h_mean	Mean hourly wage
a_mean	Mean annual wage
mean_prse	Percent relative standard error (PRSE) for the mean wage estimate. PRSE is a measure of sampling error, expressed as a percentage of the corresponding estimate. Sampling error occurs when values for a population are estimated from a sample survey of the population, rather than calculated from data for all members of the population. Estimates with lower PRSEs are typically more precise in the presence of sampling error.
h_pct10	Hourly 10th percentile wage
h_pct25	Hourly 25th percentile wage
h_median	Hourly median wage (or the 50th percentile)
h_pct75	Hourly 75th percentile wage
h_pct90	Hourly 90th percentile wage
a_pct10	Annual 10th percentile wage
a_pct25	Annual 25th percentile wage
a_median	Annual median wage (or the 50th percentile)
a_pct75	Annual 75th percentile wage
a_pct90	Annual 90th percentile wage
annual	Contains "TRUE" if only annual wages are released. The OEWS program releases only annual wages for some occupations that typically work fewer than 2,080 hours per year, but are paid on an annual basis, such as teachers, pilots, and athletes.
hourly	Contains "TRUE" if only hourly wages are released. The OEWS program releases only hourly wages for some occupations that typically work fewer than 2,080 hours per year and are paid on an hourly basis, such as actors, dancers, and musicians and singers.

Notes:

* = indicates that a wage estimate is not available

** = indicates that an employment estimate is not available

= indicates a wage equal to or greater than \$100.00 per hour or \$208,000 per year
