The Honorable Patrica Howard  
Clerk  
Supreme Court of South Carolina  
1231 Gervais Street  
Columbia, SC 29201

RE: Gerald Nelson v. Christopher S. Harris, *et. al.*  
Appellate Case No.: 2023-001938

Dear Ms. Howard:

Pursuant to Rule 208(b)(7), SCACR, Petitioner Gerald Nelson advises you of pertinent and significant authority which has come to our attention after the filing of the Petition for Certiorari, Return, and Reply:

*Estate of Doe 202 v. City of North Charleston*, 441 S.C. 131, 893 S.E.2d 319 (2023) (advising trial courts how to respond to jury questions that demonstrate confusion).

This case pertains to Parts I and III of the Petition and Reply. The reason for this supplemental citation is that the Court filed the opinion on September 29, 2023, after all documents in this case were filed, and the holding informs the Court regarding the arguments contained in those portions of the Petition and the Reply.

Sincerely,  
/s/ John S. Nichols
