

The South Carolina Court of Appeals

Sierra Club, Appellant,

v.

South Carolina Department of Health and Environmental
Control and Chem-Nuclear Systems, LLC, Respondents.

Appellate Case No. 2012-212791

ORDER

Respondents have filed motions to strike, require Appellant to file an amended record on appeal, and extend time to file a final brief. Subsequently, Appellant moved this Court to accept the record on appeal and to accept his brief out of time. Because the pictures subject to the motion to strike were in the case file at the ALC, Respondents' motions to strike and require Appellant to file an amended record on appeal are denied. Further, Appellant's motions to accept the record on appeal and to accept his brief out of time are granted. Moreover, Respondent's motion for an extension to file his final brief is granted. Respondents will file and serve a final brief within thirty days.
