Re: The State v. Randolph Ashford  
Appellant Case No. 2023-001463

Dear Ms. Kitchings, Clerk:

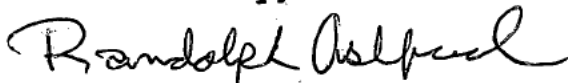

I receive your letter of April 16, 2024, On the 22nd of April 2024. The mail-room records will show that I did not receive the motion for extension of the Respondent's, nor did the court allow me to file an objection to the state's request for an extension prior to making a ruling on the state's motion denying me due process of law, equal protection of the laws of the State of South Carolina Constitution, and the United States Constitution.

However, the extension was granted to the state until April 22, 2024. As of this letter, I have not receive the Initial Brief of Respondent's, and Designation of matter of Respondent's to date as ordered.

I respectfully request this court enter an Order against Respondent's remanding this case back to the lower court with instructions for a hearing on the Rule - 29 (b). Motion For New Trail Based Upon After Discovered Evidence. I await your response.

Thank you very much.

Sincerely,

CC: Alan McCrory Wilson, Esquire  
Mark Reynolds Farthing, Esquire
