***Re: Karrie Gurwood and Howard Gurwood, Respondents v. GCA Services Group, et al.,  
Petitioners (Appellate Case No. 2023-000606 / 2019-001403)***

Dear Honorable Clerk Howard:

Thank you to your Supreme Court of SC for granting us an extension Order, dated April 11, 2024. That extension was related to our Response to the Petition for Writ of Certiorari, Question I.

After that extension period was granted, our local attorney met with the Petitioners' counsel, submitted a settlement offer, has reached out to him regularly for updates, and secured a large stack of medical records (for treatments of injuries I sustained in the work fall). As well, we fully utilized your granted extension to discuss crucial case details with the attorney assisting us.

However, I understand our settlement negotiations are quite complex, not only involving two GCA companies but also a substantial Worker's Compensation lien and any settlement funds the Centers for Medicare Services will require. Therefore, we respectfully request, of your esteemed Court, an additional 30-days extension. During that time, we and our counsel would strive to fully execute a settlement with all parties above. We are most appreciative of your consideration regarding our critical request herein.

Sincerely,

*Karrie Gurwood / Howard Gurwood*
