From: Meleik Roach, 336878

Columbia, S.C. 29210.

PCR Case: 2011-CP-26-10362.

[Roach v. State]

I was informed by the Horry County Court that my timely Motion for New Trial under 29(b), SCRCrIMP could not be heard until my PCR case in the Supreme Court is suspended. Please suspend my case in your Court until my 29(b) Motion is heard in the Lower Court.

Please reply to me at my above-listed address as soon as possible. I discovered the new evidence October 31st, 2012 so I have until October 31st, 2013 for my motion (29(b)) to be properly before the Court. I need you to provide me with documentation that my PCR Case is suspended or held in Abeyance so that I may forward said documents to the Horry County Courthouse. Thank you for all your help.
