IT IS ORDERED AND ADJUDGED: See attached order (formal order to follow) Statement of Judgment by the Court:

After careful consideration, the Defendant's Motion for sanctions is granted. The Defendant is awarded costs and fees related to the appeal. The court believes that the Calhoun case controls the issue of fees at the trial court level. However, the court will entertain costs at the trial court level.

It is further ordered that the Defendant's request for relief regarding the timeliness of the Plaintiff's response is denied.

Good morning,

It was brought to my attention that there may be some confusion as to the Form 4 Order entered by the court. The order is explained below:

1. Attorney fees for appeal granted
2. Costs of appeal granted
3. Attorney fees for the trial level denied
4. Costs at the trial level granted
5. Sanctions against Attorney Brown and the Defendant granted.

Thank you,

Nathan Abernathy

Nathan,

Thanks for scheduling this and allowing us to get it heard this morning. I wanted to write to let the Court know that my client, Jim Brown, was in the virtual waiting room for the hearing.

Unfortunately, he was never able to access the room for some technical reason. Mr. Brown just wanted the Judge to know that he tried to attend and was on his computer waiting at the time. He takes this matter seriously, as I am sure all parties involved do.

Thanks in advance again and we forward to hearing from the Court.
