Good morning Christina,

We spoke yesterday and you were very helpful in explaining what I needed to do to get this motion for an extension filed.

It looks like it was received and file stamped but we were wondering (since our filing deadline is today), if there is any way that our motion can be presented to a Judge this morning for clarification as to whether or not the Motion for Extension is granted.

Also, would it be helpful if we drafted an Order for the Judge's signature?

Thanks so much for your assistance.
