Ms. Thompson:

I hope you're well today. I was wondering if there was any way for me to get removed from this case. I used to work as an attorney with Gruenloh Law until around 2016, at which point I departed from the firm and have had no involvement in this matter. If possible, could you remove me from these filings, and/or please advise as to the form of the filing which the court would prefer me to prepare to unilaterally withdraw from this matter?

I appreciate any help that you can provide. Thank you!
