Mr. Murray,

I reviewed your Record on Appeal. There are 2 documents that were included in Respondent's Designation that are not included in the Record and need to be included. The two items are Order dated February 25, 2019 (number 1 in our Designation) and Letter from Appellant filed April 22, 2021 (number 7 in our Designation). These materials were previously provided, but I have attached again for convenience. In addition, the Record on Appeal must have specific page numbers so that we can cite to the pages on the document and we are unable to submit our final brief until this is done. Please let me know if you have any questions.

Thanks

Steve
