Case No.: 2013-000960

vs.

MOTION FOR REHEARING

South Carolina Department of
Corrections,
Respondents.

On July 22, 2013 this honorable court dismissed the appellant's case for failure to timely file his initial brief and designation of Matter. Appellant has attached Exhibits A-E which is all correspondence he has received from this honorable court since the case has been opened.

Neither of the correspondence letters from the courts advised appellant that he should file his initial brief. The correspondence only spoke of the Proof of Service for the Motion to proceed in forma pauperis.

As the appellant would have known that his Motion to proceed in forma pauperis and Proof of Service to proceed in forma pauperis were accepted as written, he would have proceeded to the initial brief.

The appellant wishes to have his case reheard as he has provided adequate information as to why it should be reheard and processed. Appellant sincerely asks the court to order the records of the case to the appellant from the respondents as the appellant has yet to receive his disciplinary hearing transcript from the respondents. The appellant can not proceed into the initial brief without the full records of the case.
