Dear Sir or Madam:

We have been advised by the Court of Appeals that we should send a message to you regarding the transcript of this trial. Please be advised that I did speak with the Court Reporter for this case about two weeks ago and inquired as to the status of the completion of the transcript for this matter. There were actually two days of trial for this case, separated by two months. The CR has completed the transcript for the first date, but she indicated she has not yet completed the transcript for the second day.

I will contact the court reporter again today and advise her with respect to your message. I will likewise ask her to advise you as to the status of the completion of the transcript for the second day.

Please advise if I should provide you with any further information at this time.

Thank you.
