THE STATE OF SOUTH CAROLINA

In the Court of Appeals

APPEAL FROM HORRY COUNTY

Court of Common Pleas

Debra R. McCaslin, Circuit Court Judge

Kristi F. Curtis, Circuit Court Judge

Case No. 2020-CP-2605267

25th Avenue LLC., Respondent v. Carol Ann Honeycutt, Appellant

Ms. Jenny Abbot Kitchings, Clerk

Ms. Catherine Harrison, Chief Deputy Clerk

The South Carolina Court of Appeals

1220 Senate Street

RECEIVED
Jun 13 2024
SC Court of Appeals

Columbia, South Carolina 29201

Dear Ms. Kitchings, Ms. Harrison,

There are four issues addressed in this letter which help to summarize the status of the Incomplete Transcript. The Required Motion provides all the evidence.

I. The Required Motion

This letter is sent in response to Clerk Harrison's letter of May 14, 2024, in which is stated the following:

To the extent you claim you have not received the appropriate transcripts, you must file a motion containing documentation of the status of your request.

I am completing that Required Motion stated in Clerk Harrison's letter and will send it by USPS. The Required Motion

is documented in detail. No where in all the documentation is one letter or email from Ms. Kevish stating that she has

submitted a completed Transcript. On June 12, 2024, I talked with Ms. Cordelia Coath. She stated that there is no record

of the completed transcript.

II. An Incorrect Transcript

In her letter of April 24, 2024, Clerk Harrison stated: "In your letter, you indicate you have not received all relevant transcripts

in this case. Our records reflect the last transcript was delivered on March 20, 2024." This is to state unequivocally to the Court that the

transcript which appeared on March 20, 2024, in the "Court Reporter Transcript Tracking System" was for the Hearing of February 21, 2024,

before Judge B. Alex Hyman; This hearing is not a part of the Appeal. This, too, is clearly documented in the Required Motion.

III. A Complete Transcript is Required for the Brief

As stated in the Required Motion, there is a substantial amount of evidence omitted from this Incomplete Transcript which is necessary

to support the issues enumerated in my Brief. The **South Carolina Appellate Court Rule 208(a)** clearly states:

"(1) Brief of the Appellant. Within thirty (30) days after receiving the transcript . . .

appellant shall serve one copy of his brief on all parties to the appeal . . .
."

To required the Appellant to complete a Brief without the Complete Transcript is contrary to this law and would make such a brief invalid.

This would provide a huge handicap to the Appellant and would, therefore, be prejudicial against the Appellant, in favor of the Respondent,

and in favor of the judge to which the appeal is addressed.

IV. Summary of the Required Motion Documentation

Additionally, is include below the **SCACR FORM 12** letter which is indicated in the Appellate Court laws and forms.

On June 12, 2024, I spoke with Ms. Cordelia Coath. She stated that Form 12 which directs the letter to the Director of the South Carolina

Court Administration should be sent to you, not to the Director.

RE: 25th Avenue LLC., Respondent v. Carol Ann Honeycutt, Appellant,

Appellate Case No.: 2023 – 001023

RE: Transcript of the Hearing of April 24, 2023, before Judge Debra R. McCaslin

Dear Ms. Kitchings and Ms. Harrison,

On May 25, 2023, the Transcript of the Hearing of April 24, 2023, before Judge Debra R. McCaslin was

ordered for the first time from Court Reporter Julie Kevish. Ms. Kevish sent an incomplete Transcript to me on July 3, 2023.

On July 31, 2023, I sent a certified letter to Ms. Kevish informing her that the Transcript was/is incomplete, and I sent an

extensive list detailing what was was missing from the Transcript.

Ms. Kevish has never completed the Transcript, she has not responded to related questions about the Transcript,

she has not copied me in on her correspondence with the Respondent, nor she has not copied me in on her correspondence

with the various offices of Court Administration.

On January 25, 2024, my Second Appeal on this Horry County case was filed on the Orders of Judge

Debra R. McCaslin.

Subsequent to this second filing I placed a Second Order for the same Transcript with the Transcript Office of Court Administration;

Ms. Kevish was copied in on that order and she was copied in on my third letter to Clerk Kitchings which requested help to

obtain the Transcript.

From August 14, 2023, to the present, the only content in Ms. Kevish's communications to me consists of, "I have forwarded

your letter/email to Court Administration." The last email I received from Ms. Kevish was September 7, 2023. None of my emails

to her in 2024 have been acknowledged in any way.

Court Administration, the transcript office, and the Clerk of Court's Office have received six formal letters/emails from me

(including this one) that I needed help to get the complete transcript. No one responded or assisted me with this request. Ms. Kevish

notified Court Administration and the transcript office (transcripts@sccourts.org) by forwarding eight emails and USPS correspondences from

me regarding the Incomplete Transcript. In her email to transcripts@sccourt.org on August 14, 2023, at 5:12:39 PM, Ms. Kevish wrote:

"Ms. Honeycutt. I have forwarded your transcript challenge to court administration for their review." If the "Transcript Office"

responded to Ms. Kevish's email, I was not copied in on that response nor from Ms. Kevish. The Court Administration/Transcript

Office received these fourteen communications and has never sent a response to me regarding the Incomplete Transcript.

Ms. Tammie Holmes, Court Reporter Manager, did respond to my email to her. She made an "off the record" email response to me

that she had no changes to make in the Incomplete Transcript. Ms. Holmes did not address all my questions to Ms. Kevish. Ms. Holmes

did not address all of the omissions. Some of Ms. Holmes responses were not consistent with the standards outlined in the SC

Court Reporters Manual. I believe Ms. Holmes response was "off the record" because she did not copy in Court Administration, the

Clerk's Office, nor the Transcript Office in her response. (She did copy-in Tiffany Rains.) I believe that Ms. Holmes did her best

to try to give a response which would keep Ms. Kevish out of trouble.

Ms. Kevish has made no attempt to complete the transcript. If she completed the transcript, it would mean that she lied on her

CERTIFICATE page:

"I, Julie A. Kevish, Official Court Reporter for the State of South Carolina, do hereby certify that the foregoing is a true,

accurate and complete Transcript of Record of the proceedings had and evidence introduced in the Court of Common Pleas for Horry County,

South Carolina, on the 24th of April, 2023. I do further certify that I am neither of kin, counsel, nor interest to any party hereto."

She signed the CERTIFICATE page, April 24, 2023.

SUMMARY

From August 4, 2023, when Court Reporter Julie Kevish received my transcript challenge, to today, the Appellant

has not received a Complete Transcript from the Court Reporter, Ms. Kevish.

Thank you for your consideration of these issues,

Carol Ann Honeycutt
