

The South Carolina Court of Appeals

Arthur Simmons, Appellant,

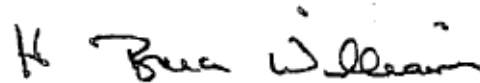

v.

South Carolina Criminal Justice Academy, Respondent.

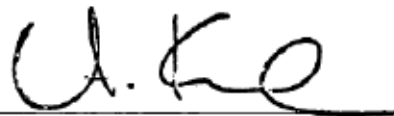

Appellate Case No. 2024-000624

ORDER

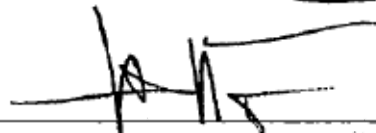

On May 2, 2024, this court dismissed this appeal as untimely. Appellant has now filed a motion to reinstate, which we construe as a petition to rehear the dismissal. After careful consideration of the petition for rehearing, the court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Appellant failed to timely serve the Administrative Law Court, pursuant to Rule 203(b)(6), SCACR, and this court lacks jurisdiction to expand the time for serving the notice of appeal. *See* Rule 263(b), SCACR ("The time prescribed by these Rules for performing any act except the time for serving the notice of appeal under Rules 203 and 227 may be extended"; *Mears v. Mears*, 287 S.C. 168, 169, 337 S.E.2d 206, 207 (1985) (explaining service of the notice of appeal is a jurisdictional requirement, and the appellate courts have no authority to extend the time in which the notice must be served). Accordingly, the petition for rehearing is denied.
