

Silver 4-door car with chrome or Silver rims

Bra you cant tell that my car in no dark and the car look white in the dark. And how can you tell if that a silver or white car in the dark they dont know if it chrome or silver rims. Bra they say we drove by a lot of time look at the pic what way the car going one way and look at the time. 2008 malibu look like a 2012 malibu I'm put out alot of shit that I see that you need to be look at

Side marker light

License plate is located in rear bumper
