I know better I had ~~to~~ two jobs I was doing good
I just something about you that I have to make myself
to you.

Bra I was doing good that
why you always call me cause you know I wouldn't for you
you know I always had you back there so you see I
say fuck my family me and mine what have you do
when you come home. Bra since since you been gone I wait
out for you Even when you hit me in the head with the gun that
night and I let that go but you right I thought you give
me cause I didn't come get you when you want me to come
body know about it but Spill but at the same time bra
you was hard head ass hell you didn't want to listen to nobody

well
this way I need to know if I go to jail if you come back
to ~~help~~ ^{help} me or help me cause no matter what you says to that

lock I know that cant
charge me with all that shit cause we didn't plan this out in
it isn't in your ~~paper work~~ paper work that we talk about this. Bra
the car, spit in Shana name it in her name you can see that
in the paper and like I say they didn't come in our house first they
went to her Aunt house first. Shana was not see see what she was
we want address but in your paper book it not out about it
they say it. I can see see better than you. Bra I
don't know how you feel after this but I'm not log down for them and
and I'm sorry about alot of this. ~~Julius~~ Julius didn't come up here

Bra I did tell them girl I was done the car that
night just to some things cause they was want to look me
up I want cause to let her go down in something in don't know
how. I never tell them ppl that I drop her off at no store
in you but I said it I say I drop her off at a
house that was close to the store I tell them that I didn't know
what was going on. But like I say the man know just what
was and he talk to me he show me a picture of you and
I I I tell him you was my brother and I I was somebody
I know him around the way. Ok about the scaleman I tell you
I but I take call to some apartment I tell them I didn't
see you go to know where I never tell them that fall before
no store he ask me did you see something in you hand I
say you was open a pack of nuptat that it. But like I tell
him I didn't know a store here get robbed cause I didn't
see fall in a know store. Now for the one in Conway I
tell him I was going to fuck with this girl and she ask me
to stop by a store and get her a soda and that was I did
I did tell him when I come back to the car that fall was
in my car and I don't know where you went I never say
you shot nobody Everything I'm tell you now is what on
that tape so airt of that shit for detective say you
some bullshit that why I come here to see my mother and
in my trailer car get both tape and I I alot and the
room was the detective is say. Shit from the look of this I
might not see or how my new hair shit
I as of what I can see I'm not going to put in
You happen. you know what I'm not going to put in
