Re: Freedom Mortgage Corporation v. Sherman Smith  
Appellate Case No. 2023-001826

Dear Mr. Smith:

We received your motion for relief from this Court's May 29, 2024 order dated June 3, 2024, which this Court construes as a petition for rehearing on this Court's May 29, 2024 order. Pursuant to Rule 221 of the South Carolina Appellate Court Rules (SCACR), "The appellate court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding the party's appeal." Therefore, your petition for rehearing dated June 3, 2024 will not be considered by this Court.

Furthermore, the appellant's initial brief and designation of matter remain due to be served and filed no later than June 28, 2024. The Court has afforded and will afford you ample opportunity to pursue this appeal, but it must be in accordance with the South Carolina Appellate Court Rules (SCACR). Failure to serve and file the appellant's initial brief and designation of matter by June 28, 2024 will result in the dismissal of this appeal.

Very truly yours,
