Subject: Request for Permission to Use Independent Transcriber and Extension of Deadline

***** EXTERNAL EMAIL:** This email originated from outside the organization. Please exercise caution before clicking any links or opening attachments. ***

Dear Court Clerk,

With due respect, I am writing to request guidance and an extension of the deadline for submitting the Brief with record, currently set for June 20th, 2024.

I recently became aware that an audio recording of a Magistrate court hearing, relevant to my case, has not yet been transcribed. This audio recording was provided by the York Circuit Court. The court transcriptionist has informed me that she cannot transcribe this particular audio as she was not present during the hearing and it falls outside her purview.

Given the importance of this hearing to the case, I seek permission to engage an independent transcriber to complete the transcription of this audio recording. Additionally, considering the time required to find a qualified transcriber, have the transcription completed, and incorporate it into my Brief, I respectfully request an extension of the current submission deadline.

I propose an additional 30 days from June 20, 2024 to

ensure that I can submit a comprehensive and accurate Brief with all pertinent records included. This extension will allow me to secure the transcription services needed and ensure that the court has a complete record for review.

Thank you for your understanding and consideration of this request. I look forward to your prompt response.

Sincerely,

Kalishwar Das
